At the Iris
The regular semi-weekly change of program was put on at the Iris last night.

The moving picture entitled "A Struggle for Life" is a remarkable production, showing a daring rescue from a burning building. This fire scene is by far the best ever shown in this city.

An Ounce of Prevention
Is worth a pound of cure. There are many poor sufferers, consumptives, who are hopeless of getting well—who, if they had taken care of themselves, would now be well.
